A friendly reminder to all whānau that there are 10 days left until the end of Term 3. This term will end next Friday 25th September 2020, **Kura will finish at 1.30pm on this day.** Kura will return to begin the last term of this year, Term 4 on Monday 12th October 2020.

IN TODAY'S PĀNUI

1. Tauira Hou
2. Te Wiki o Te Reo Māori
3. Hangarau Kai - Akomanga Kōpu
4. Kura Website
5. Whānau Whakahaere Hui
6. Health & Safety at Alert Level 2

TAUIRA HOU

Yesterday we welcomed two new ākonga to our Kura; Hailey Mea and Skylar Ferris-Cilliers. Hailey comes to us from Te Rito and has tribal affiliations to Ngāti Kahu ki Whangaroa. Skylar comes to us from Te Kohanga Reo o Ngā Whare Maha and has tribal affiliations to Ngāti Porou. Both students are Tau 1 in akomanga Whānui and their enrolment brings our current roll to 85 students.

TE WIKI O TE REO MĀORI

In celebration of Te Wiki o Te Reo Māori, we will be participating in an array of activities each day such as Kori ā Pao, Kori Tinana, Hākinakina Māori (Ki ō rahi, Mau rākau) and Kiriata Māori (Moana).

The Kura will be providing treats for all of our tamariki to nibble on during our Kiriata tomorrow. If your tamariki have any dietary requirements or allergies, please let the Tari know.

To end our week of celebrations, we will be holding a mufti day **THIS FRIDAY 18TH SEPTEMBER 2020.** Tamariki are encouraged to wear kākahu māori (māori designs, wording or patterns). Taonga will be awarded to tamariki who support the kaupapa - Kākahu Māori Mufti Day.

HANGARAU KAI - AKOMANGA KŌPU

Each student in akomanga Kōpu will complete a food technology project this Friday. Each student must supply \$5.00 (to be handed into the Tari) which will be used to source ingredients for this project. If your child/ren is in akomanga Kōpu and has any dietary requirement or food allergies, please let the Tari know.

KURA WEBSITE

Our Kura website has recently been revamped. Our web address is <https://www.terakipaewhenua.school.nz/>

Kaimahi are currently undertaking professional development sessions to become familiar with the use and functionalities of our website. Information will continue to be added/updated during these sessions.

WHĀNAU WHAKAHAERE HUI

In line with the current gathering restrictions, our Whānau Whakahaere hui scheduled to take place next Tuesday will be held on zoom. A link with the date and time of the hui will be emailed to whānau before the end of the week.

If you are unable to attend, please submit your apologies to the Tari by 12pm next Wednesday.

HEALTH & SAFETY AT ALERT LEVEL 2

Following the Prime Minister's announcement yesterday, we now know that we will continue to operate under Alert Level 2.5 until at least next Wednesday 23rd September. Cabinet will meet and confirm next Monday if there will be any changes.

This is a friendly reminder to all whānau that our current health & safety measures will remain in place at Kura until the end of Term 3. These measures have been put in place to protect and safeguard all of our tamariki, kaimahi and whānau.

While onsite at Kura, we **MUST ADHERE** to the following health and safety measures

1. Good hand hygiene and cough and sneeze etiquette

Regular washing and drying or sanitising of hands will take place when entering the akomanga, before and after breaks and activities.

Tamariki will also be encouraged/reminded to cough and sneeze into their elbow and resist touching their face.

2. Staying home when sick

Quite simply if tamariki or kaimahi are sick, they should stay home. (Whānau are encouraged to phone their GP or Healthline and get tested if a doctor or health professional recommends to do so).

If tamariki do become unwell while at Kura, whānau will be contacted immediately to collect their child/ren.

Anyone who is self-isolating, or who has been advised by health authorities to remain at home while they wait for their COVID-19 test results, must inform the Kura and must stay home.

3. Keeping the appropriate physical distance from others

Maintaining a physical distance so that tamariki, kaimahi, whānau and manuhiri are not breathing on or in close proximity of each other

4. Morning drop off & afternoon pick up from the top car park

Morning Drop Off - Kaimahi will be on duty from 8.30am - 8.50am each morning in the top car park. We kindly ask that whānau remain in their vehicles and that tamariki are sent into Kura through the top gate only. Once you have dropped off your tamariki, please move along to allow other whānau to drop off their tamariki.

Afternoon Pick Up - Kaimahi will be on duty from 2.45pm to 3.30pm each afternoon in the top car park. We kindly ask that whānau remain in their vehicles and tamariki will be released and sent to you. Kura Teina tamariki will be released from their akomanga whilst Kōpu & Wharekura tamariki will be released from the Administration block.

Kura & Kohanga Whānau

If you have Kura students in your car, please drop them off in the top car park or remind them that entry and exit point for students is the top gate to Kura Teina. They will NOT be able to use any other entry point into Kura.

Arriving Late and Leaving Early - If your tamariki arrive late (after 8.50am) or leave early (before 2.50pm) they must enter/leave through the main Tari entrance.

5. Packed lunches and water bottles

Please make sure that all tamariki bring a packed lunch and named water bottle to Kura each day.

All water fountains will be covered for the rest of this term. In the event that your tamaiti/tamariki forget their water bottle, disposal named cups are available for use in each akomanga.

6. Official QR Code Posters at all entrances and encouraging whānau to download the NZ COVID Tracer App and use it if they come onsite

Official QR Code posters are displayed in all main entrances to the Kura. Whānau are encouraged to download the NZ COVID tracer app and use it when you come onsite to Kura.

Alternatively our vistab system will be in place, to support contact tracing for whānau/visitors who do not use the app.

Please talk with your tamaiti/tamariki about the 6 health measures above so that they are well aware of what is expected when we all return to Kura next week. The more confident our tamariki are, the easier it will be for them to settle in.
