As per the Prime Minister's announcement, Auckland will operate under Alert Level 3 restrictions for a 7 day period from 6am on Sunday 28th February 2021.

A reminder to all of our Kura whānau that we need to keep ourselves and our whānau safe. It's important that we follow the rules.

If you are unsure if you have been to a place where someone with COVID has visited – please go to the Ministry of Health website for the 'Locations of Interest'. Check the date and time of each location listed in the table and if you were there at the same time, go to the right column to see what you need to do.

As the team at All Right? Say: *It's all right to feel over this right now* but we all know what to do, we have done this before and we will do it again, together. Kia Kaha whānau!
